Marine Corps Installations East – Marine Corps Base Camp Lejeune
Environmental Cleanup Advisory Board Members Wanted

Marine Corps Base Camp Lejeune, North Carolina is soliciting volunteers to become community members of its Restoration Advisory Board (RAB). Any Onslow County or local citizen who is able to meet the requirements listed below is encouraged to participate and apply for membership. The RAB members serve a dual role: to review and comment on clean-up documents and to serve as liaisons between the RAB and the Camp Lejeune community. You do not need to have a technical background or any special knowledge to become a RAB community member. You **do** need to be a local resident and be willing to actively participate in the review of material that will affect the timing and direction of Base environmental clean-up activities.

RAB community member requirements:

- Members must be able to attend quarterly meetings and agree to have their names, addresses, and home telephone numbers provided to the community.
- Members who miss two or more consecutive meetings may be asked to resign.
- Duties and responsibilities will include reviewing and commenting on technical documents and activities associated with the environmental restoration of Marine Corps Base Camp Lejeune.

RAB community members will join representatives from the Navy, Marine Corps, Environmental Protection Agency, and the North Carolina Department of Environment and Natural Resources.

The Restoration Advisory Board (RAB) meets quarterly to discuss the Base's Installation Restoration Program with the local community. You are invited to the next RAB meeting to learn more about the environmental cleanup process on the Base and to provide your input. The RAB meeting will be held on **May 23, 2013 at 6:00 PM** at the following location:

Coastal Carolina Community College
