Base Camp Lejeune Designated Off-Limits Establishments

1. Purpose. To identify establishments declared off-limits to Armed Forces personnel by the Commanding General, Marine Corps Installations East-Marine Corps Base, Camp Lejeune (MCIEAST-MCB CAMLEJ).

2. Background. Declaring an establishment off-limits is a function of command which may be used to help maintain good order, discipline, and an appropriate level of health, morale, safety, morals, and welfare of Armed Forces personnel, per reference (a). Additionally, it requires off-limits restrictions be made known to all Armed Forces personnel who may frequent the area(s) in question, per reference (a). The Armed Forces Disciplinary Control Board (AFDCB) advises the Commanding General, MCIEAST-MCB CAMLEJ regarding which establishments to declare off-limits, per reference (b). Enclosure (1) is the current list of off-limits establishments designated by the Commanding General, MCIEAST-MCB CAMLEJ and is effective immediately.

3. Action

a. Commanders shall inform their personnel they are prohibited from conducting business with, or entering the premises of, the off-limits establishments shown in enclosure (1). References (a) and (b) are punitive orders, and visiting the areas/establishments listed in this Bulletin are punishable under the Uniform Code of Military Justice (UCMJ).

b. If the off-limits establishment is a gas station, service members are only allowed to purchase gasoline utilizing pay at the pump.

c. Military Police shall coordinate with civilian authorities in order to return military personnel detained at off-limits establishments to military control.

d. The contents of this Bulletin shall be widely disseminated to Armed Forces personnel, particularly to all military personnel in the Camp Lejeune and New River areas. This Bulletin will be conspicuously posted on all Camp Lejeune and New River command bulletin boards.

e. Changes to Off-Limits Listing. In accordance with reference (b), the President of the AFDCB is responsible for publishing an accurate and current listing of those establishments and areas declared off-limits.

DISTRIBUTION STATEMENT A: Approved for public release; distribution is unlimited.

4. Reserve Applicability. This Bulletin is applicable to all Armed Forces personnel permanently or temporarily assigned to MCIEAST-MCB CAMLEJ, Marine Corps Air Station New River, II MEF, MARSOC, 2d MarDiv, 2d MLG, and all subordinate and tenant commands.

COMMANDING GENERAL, MARINE CORPS INSTALLATIONS EAST-MARINE CORPS BASE
CAMP LEJEUNE DESIGNATED OFF-LIMITS ESTABLISHMENTS

An off-limits area is defined as any business, building, place, structure, vehicle, conveyance, or area which Armed Forces personnel are prohibited to patronize, enter, visit, use, or ride. In accordance with reference (b), the installation commander has the authority to place an establishment off-limits if it is determined to be harmful to the welfare and safety of Armed Forces personnel and their dependents. Visiting these locations violates reference (b), which is a punitive order, and violators may be punished under the UCMJ.

As a matter of policy, a change in ownership, management or name of any off-limits establishment does not, in and of itself, revoke the off-limits restriction. Since these off-limits areas/establishments frequently change names, signs, and identifying features, these addresses, locations and general descriptions are designed to make them clearly identifiable despite superficial changes done to them. Accordingly, the Commanding General of MCIEAST-MCB CAMLEJ, based on the recommendations of the AFDCB, has declared the following below areas/establishments as off-limits to all Armed Forces personnel. The below listed off-limits areas/establishments will remain off-limits until deleted from this list by subsequent changes to this Bulletin. If the off-limits establishment is a gas station, service members are only allowed to purchase gasoline utilizing pay at the pump.
