I. Welcome and Introductions

II. Site Tour

A tour guide was provided to the RAB that included historical information and current status for each site. The following Installation Restoration Program (IRP) and Military Munitions Response Program (MMRP) sites were visited and discussed: Sites 6, 82, and UXO-22; Site 88; and Sites UXO-23 and UXO-28. An attempt was made to visit Site 69; however, the access gate was locked and the appropriate key was not available.

III. RAB Business

Ms. Delaney indicated that the next RAB meeting is planned in August 2016 and will be held at Coastal Carolina Community College. Additional details will be provided via email.
