Renters Insurance Overview

You are **strongly encouraged** to purchase renters insurance to protect against personal loss or liability due to unforeseen circumstances

*Renters Insurance is **NOT** part of the rent you pay to the PPV Partner

What is renters insurance?

A renters insurance policy is insurance for those renting any type of housing which protects your personal property against damage or loss and protects you from personal liability (i.e., financial loss) for damage to the rental property associated with your actions, or for someone that is injured while on the rental property you are occupying

Why purchase renters insurance?

The insurance carried by the PPV Partner doesn't cover your personal property if it is stolen or damaged as a result of a fire, theft, or other unexpected circumstances. If you want to protect your personal belongings, and have liability protection, purchase a renters insurance policy with liability coverage

Renters insurance will reimburse you for personal property destroyed by a fire. If you accidentally set fire to someone else's property, the personal liability provision will help reimburse the cost of their damaged belongings

Renters insurance typically protects items stolen after a break-in at your rental property, or even items stolen outside of your rental

Damage to your possessions from a burst water pipe is typically covered under renters insurance

Personal liability coverage is part of a standard renters insurance policy. It may help pay for another person's medical bills if you're found legally responsible for their injuries

Tips for Renters Insurance

For more information on renters insurance, ask your MHO for a copy of the **Tenant Guide to Renters Insurance**. The MHO can assist you with general questions, while the Legal Services Support Section (LSSS) will assist you in understanding different policies

The National Association of Insurance Commissioners indicates the average renters insurance policy costs between **\$15 to \$30 per month**.
**Cost may vary depending on your location, choice of deductible, and coverage amounts*

Make sure you know what your policy covers. Insurance terms and conditions vary by provider. Be sure to read your insurance policy carefully to understand what may or may not be covered. For example, a liability policy may not cover structural damage from personally owned appliances

Renters insurance is widely accessible and may be available through your car insurance company. Make sure to ask about any discounts and bundling options

Don't Waive the Liability Coverage! Your insurer will help cover the costs if you're held responsible for injuring another person or damaging another person's property, including your rental property. The typical renters insurance policy offers \$100,000 in liability coverage

Maintaining Your Home

Please be aware of local guidance and report maintenance issues immediately to your PPV Partner

- Promptly clean kitchen counters and dispose of food debris
- Keep food in air-tight containers

- Report leaks and maintenance issues immediately
- Check drains and keep them clear

- Check your filters per directions by your PPV Partner
- Clean and monitor major appliances
- Check and change batteries for smoke/CO detectors per directions by your PPV Partner

Window Safety Tips

Windows are among the top 5 hidden hazards in the home. Before opening a window, know the risks they pose to children

Window Safety Tips

- All windows above the first floor should have a *Child Fall Hazard* warning sticker
- Do not rely on screens to prevent a window fall
- Only open windows that are out of reach if you need ventilation

Child Safety Tips

- Encourage children to play in the center of the room and away from open windows
- Keep close attention to furniture, or anything children can climb, near open windows

Maintenance Issues

Active duty Service Members and their families living in PPV housing have access to the dispute resolution process (DRP), ensuring prompt and fair resolution for housing issues. The DRP has two components: an informal and formal process.

1

Informal DRP

- If you notice an issue at your property, contact your PPV Partner to resolve it
- *You are encouraged* to utilize the informal process as your housing issue will be resolved in an efficient manner

2

Formal DRP

- You must first attempt to resolve your housing issue through the informal DRP before you can initiate the formal DRP
- The formal DRP is expected to take 30-60 days

Your MHO serves as your advocate throughout the informal and formal DRP. To explore the DRP further, please visit the Marine Corps MHO Website.

Informal Dispute Resolution Process

*The dispute resolution process starts with an informal process of communication between you and the PPV Partner. **You are encouraged** to utilize the informal process as your housing issue will be resolved in a more efficient and timely manner*

If you find a problem at the property where you currently reside, contact your PPV Partner so they can take steps to properly resolve the issue

Elevate to the PPV Partner Regional Manager if the action taken is unsatisfactory

If the PPV Partner or Regional Manager does not resolve the issue, contact the MHO and inform them of the problem at your property. The MHO may investigate the issue

If you are not satisfied that your housing issue has been solved, your MHO will provide you with a form which can be filled out, initiating the formal dispute resolution process

Formal Dispute Resolution Process

The formal dispute resolution process begins once you submit the request form provided by your MHO. You must first attempt to resolve your issue through the informal DRP before you can initiate the formal DRP

1. Complete Request Form

Complete Request Form and submit to the MHO who will determine eligibility

2. Participate in the Inspection
