Renters' Insurance Overview

As a condition for occupancy in accordance with the universal lease, your PPV Partner will require you to obtain renters' insurance. If you are unable to provide documentation, the Partner reserves the right to penalize you through additional charges

Renters' Insurance is **NOT** part of the rent you pay to the PPV Partner and does not come out of your BAH

What is renters' insurance?

Renters' insurance is a policy which protects:

- You and your personal property against damage and/or loss
- You from personal liability (i.e., financial loss) due to damage to the rental property associated with your actions
- Someone that is injured while on the rental property you are occupying

Renters' insurance will reimburse you for personal property destroyed by a fire. If you accidentally set fire to someone else's property, the personal liability provision will help reimburse the cost of their damaged belongings

Damage to your possessions from a burst water pipe is typically covered under renters' insurance

Renters' insurance typically protects items stolen after a break-in at your rental property, or even items stolen outside of your rental

Personal liability coverage is part of a standard renters' insurance policy. It may help pay for another person's medical bills if you're found legally responsible for their injuries

Tips for Renters Insurance

For more information on renters insurance, ask your MHO for a copy of the **Tenant Guide to Renters Insurance.** The MHO can assist you with general questions, while the Legal Services Support Section (LSSS) will assist you in understanding different policies

The National Association of Insurance Commissioners indicates the average renters insurance policy costs between **\$15 to \$30 per month**. **Cost may vary depending on your location, choice of deductible, and coverage amounts*

Make sure you know what your policy covers. Insurance terms and conditions vary by provider. Be sure to read your insurance policy carefully to understand what may or may not be covered. For example, a liability policy may not cover structural damage from personally owned appliances

Renters insurance is widely accessible and may be available through your car insurance company. Make sure to ask about any discounts and bundling options

Don't Waive the Liability Coverage! Your insurer will help cover the costs if you're held responsible for injuring another person or damaging another person's property, including your rental property. The typical renters insurance policy offers \$100,000 in liability coverage

Maintaining Your Home

ιĂ

Please be aware of local guidance and report maintenance issues immediately to your PPV Partner

Window Safety Tips

Windows are among the top **5 hidden hazards in the home.** Before opening a window, know the **risks they pose to children**

Window Safety Tips

- All windows above the first floor should have a *Child Fall Hazard* warning sticker
- Do not rely on screens to prevent a window fall
- Only open windows that are out of reach if you need ventilation

Child Safety Tips

- Encourage children to play in the center of the room and away from open windows
- Keep close attention to furniture, or anything children can climb, near open windows

Dispute Resolution Process Overview

Active-duty Service Members and their families living in PPV Housing have access to the Dispute Resolution Process (DRP), ensuring prompt and fair resolution for housing issues. Your MHO serves as your advocate throughout the informal and formal DRP

You can initiate the DRP to address lease and property issues such as:

The DRP has two components: an informal and formal process.

Informal DRP

The informal DRP is a process in which you work directly with the PPV Property Manager to resolve your dispute. The PPV PM has the opportunity to address your concerns at all management levels.

Formal DRP

The formal DRP is a standardized, objective process that allows for independent investigation to settle the dispute. The full process takes 30-60 days.

Informal Dispute Resolution Process

The Dispute Resolution Process starts with an informal process of communication between you and the PPV Property Manager (PPV PM). The informal DRP is the first step you should take to resolve your lease and property concerns

If you find a problem at the property where you currently reside, contact your PPV PM so they can take steps to properly resolve the issue

Elevate to the PPV Regional Manager if the action taken is unsatisfactory

If the PPV PM or Regional Manager does not resolve the issue, contact the MHO and inform them of the problem at your property. The MHO may investigate the issue

If you are not satisfied that your housing issue has been solved, your MHO will provide you with the Request Form for DRP, initiating the Formal Dispute Resolution Process
